SECTION 26 – Removal From Governing Structure

- 26.1** The Board may remove a member from the Board, a Divisional Board, a Trade Board or the Roster of Adjudicators in accordance with the procedure described herein.
- 26.2** Where a person believes that the Board should consider removing a member from the Board, a Divisional Board, a Trade Board or the Roster of Adjudicators the person shall advise the Registrar in writing and the Registrar shall provide a copy of the written notice to the Chair of the Board.
- 26.3** Upon receipt of the written notice referred to in section 26.2 above, the Chair of the Board shall make reasonable efforts to discuss the matter with the member of the governing structure whose removal is being considered and to seek a satisfactory explanation of, or solution to, the alleged grounds for removal.
- (a)** If the member fails to discuss the matter with the Chair within a reasonable time, or if the discussion does not result in an explanation or solution which the Chair considers satisfactory, the Registrar shall proceed to give a copy of the written notice to the member and to the Executive Committee, and provide the member with an opportunity to make written submissions to the Executive Committee. If the member whose removal is being considered is a member of the Executive Committee, he/she shall not participate in the meeting of the Executive Committee at which the matter is being considered;
 - (b)** If the Chair determines that a satisfactory explanation has been given or solution achieved, the Chair shall nevertheless report the resolution of the matter to the Executive Committee, which in turn may elect to report the matter to the Board;
 - (c)** If the Executive Committee, or the Board if applicable, believes that the matter has not been satisfactorily resolved, the Executive Committee may review the matter and direct the Registrar to give a copy of the written notice to the member and provide the member with an opportunity to make written submissions to the Executive Committee.
- 26.4** If, after consideration of the notice and submissions referred to in 26.3, the Executive Committee is of the view that further action may be required by the Board, the Chair

of the Board shall direct the Registrar to proceed to provide notice to the member and place the matter on the agenda of the next meeting of the Board.

26.5 No member shall be removed from the governing structure unless:

- (a) the member has been given written notice by the Registrar of information to suggest that there is a reason or reasons to remove the member in accordance with section 2 of Regulation 429/12, and of the Executive Committee's intention to bring the matter to the attention of the Board;
- (b) the member has been given at least 21 days to provide a written response to the Registrar's notice;

- (e) two-thirds of the Board members in attendance vote in favour of the member's removal.

26.6 If the member whose removal is being considered is a member of the Board, he or she shall not participate in the debate or vote on any motion for removal, and his/her participation shall be limited to the submissions referred to in section 26.5(d).

26.7 The Registrar shall provide written notice of the Board's decision with respect to a removal, within five (5) days of the Board's decision, to the member affected and to the Appointments Council.

26.8 The member of the governing structure affected may request a review of the Board's decision by making a request to the Registrar in writing within five (5) days after the notice referred to in section 26.7 is provided to the member.

26.9 If the member requests a review in accordance with section 26.8, the review shall be considered by the Review Committee which shall be appointed by the Board and consist of three persons who are not currently members of any component of the governing structure of the College.

26.10 The Review Committee shall determine whether the reasons for the removal and the procedure followed in removing the member were in compliance with section 2 of Regulation 429/12 and this section of the by-laws. The Review Committee's review shall not include a review of whether the Board's decision was correct.

26.11 In conducting its review, the Review Committee shall consider:

- (a) the notice and response referred to in sections 26.5(a) and (b);
- (b) the written attestation of the Executive Committee which shall be provided in accordance with section 1(3)(b) of Regulation 429/12;

- (c) the member's request for a review and any submissions contained therein.
- 26.12** Other than as set out in section 26.11, the Review Committee need not hold a hearing or afford the member or any other person an opportunity to make oral or written submissions before making a decision.
- 26.13** If the Board removes a member of the governing structure in accordance with this by-law, the member shall be immediately removed and shall have no further participation in the Board, divisional board, trade board or roster of adjudicators unless the Review Committee determines that the Board's decision was not in compliance with section 2 of Regulation 429/12 or this section of the by-laws.
- 26.14** If the Review Committee determines that the decision to remove was not in compliance with section 2 of Regulation 429/12 or this section of the by-laws, the member of the governing structure shall resume his or her duties.
- 26.15** Where the removal of a member may be based on a failure to meet any requirement of the Code of Conduct for Members of the Governing Structure, the Code of Ethics for Members of the College, where applicable, or the conflict of interest rules, section 26.2 of this by-law shall not apply. Instead, the Chair shall not direct the Registrar to provide notice in accordance with section 26.5 unless the following steps have taken place:
- (a) where a member of the Board, a divisional board, a trade board or the roster of adjudicators wishes to raise a concern about the conduct of another member, the member has discussed the concern with the member whose conduct is in issue;
 - (b) if the member who wishes to raise the concern is not satisfied with the results of the discussion referred to in (a) above, he/she has discussed the concern with the Chair of the Board, divisional board, trade board, or review panel to which the conduct relates;

 - (e) the Executive Committee is not satisfied with the results of the discussion referred to in (d) above.
- 26.16** Despite section 26.15(a) above, the member who wishes to raise a concern may discuss the concern with a Chair in accordance with 26.15(b), without having first discussed it with the member in accordance with section 26.15(a). In such a case, the Registrar may nonetheless proceed in accordance with section 26.5 provided the other requirements of section 26.15 have been satisfied.

26.17 If the Chair of the Board is the member whose conduct or removal is being considered, any role of the Chair described in this section shall be played by the Vice-Chair.

- 27.5** On receiving a disclosure statement, the Integrity Officer shall examine it to ascertain whether the receipt of the gift or benefit might, in his or her opinion, create an actual or perceived conflict of interest between a private interest and the role of the member of the governing structure. In the event that the Integrity Officer makes a preliminary determination that receipt of the gift or benefit may create an actual or perceived conflict of interest, the Integrity Officer shall call upon the member of the governing structure to justify receipt of the gift or benefit.
- 27.6** If the Integrity Officer determines that receipt of the gift or benefit was inappropriate, he or she may direct the member of the governing structure to return the gift or benefit, reimburse the donor for the value of any gift or benefit already consumed, forfeit the gift or benefit, or remit the value of any gift or benefit already consumed, to the College.
